162 ACRES

Sprawled across this eco-development is the 10 acres of lush, green spaces adorned with waterways, lakes, creeks, landscaped parks, walkways, and forest park. These amenities are located within a secured precinct to ensure total peace of mind.

INTRODUCTION OF TAMAN NURI BOTANI

Green and secured living are the main focuses of Taman Nuri Botani, a hilltop residential enclave located in the heart of Durian Tunggal, Melaka. A gated & guarded community offers serenity in everyday living, while features including the backyard garden make Taman Nuri Botani a highly desirable development.
